++ Valid for broadcast between 1800 and 0600

Headline:
Dry with variable cloud, perhaps fine for many Wednesday.

This Evening and Tonight:
Areas of cloud are liable to develop lasting breaks during the evening and overnight, perhaps allowing a touch of ground frost in prone rural spots as winds fall light. Cloud more persistent in the west and perhaps the south, however. Minimum temperature 2 deg C (36 deg F).

Wednesday:
Most likely fine with sunny spells for many. Probably cloudier overall in the south and west, although some sunny intervals remain possible. Mainly mild after a locally chilly start. Maximum temperature 11 deg C (52 deg F).

Outlook for Thursday to Saturday:
Becoming dry and settled but rather cloudy in this period. Starting on the mild side, but gradually cooling down, with a tendency towards increased frost and perhaps fog.
